

Physical Activity Readiness Questionnaire

If you are between the ages of 15 and 69, the PAR-Q will tell you if you should check with your doctor before you significantly change your physical activity patterns. If you are over 69 years of age and are not used to being very active, check with your doctor. Common sense is your best guide when answering these questions. Please read carefully and answer each one honestly: check YES or NO.

If YES, please comment :

YES TO ONE OR MORE QUESTIONS ABOVE:

You should consult with your doctor to clarify that it is safe for you to become physically active at this current time and in your current state of health.

NO TO ALL QUESTIONS ABOVE:

It is reasonably safe for you to participate in physical activity, gradually building up from your current ability level. A fitness appraisal can help determine your ability levels.

I have read, understood and accurately completed this questionnaire. I confirm that I am voluntarily engaging in an acceptable level of exercise, and my participation involves a risk of injury

** This question will be required*
